### Excelling in an Online Course

#### **Location**

Online through Adobe Connect. Log on link available through website at  
<https://studentsuccess.asu.edu/onlinetutoring> under “Upcoming Events” heading

#### **Time and Date**

1:00pm-2:00pm on Thursday, March 27, 2014.

#### **About**

As a student at Arizona State University, you often have the option of taking an online course, but important differences exist between online and in-person learning. This webinar will give you the tips and tricks you need to stay organized, overcome technology issues, and successfully communicate with professors so you can focus on the content and make the most of your online course.
